

GROUND RULES

1. Everybody has a voice.
2. Honestly report what you do... *not what you think you should do.*
3. No judgments...we are in this together!
4. Take care of yourself by moving around, eating, drinking, and taking breaks, as necessary.
5. We are documenting a baseline of instruction in the district, so the lowest score trumps all.
6. Group scores are used to preserve individual anonymity; *participants* need to preserve individual anonymity by not attributing concerns and comments shared in this meeting. (“Vegas rule”)
